LAUNDRY ROOM

It seems that lately people are wanting to donate their folded and unfolded laundry to the Salvation Army! We have gathered several bags of unclaimed laundry from the laundry room over the past few weeks! PLEASE DO NOT LEAVE YOUR LAUNDRY IN THE LAUNDRY ROOM! WE WILL REMOVE IT AND DONATE IT TO A LOCAL SALVATION ARMY OR GOODWILL BOX!!

Important Dates to Remember

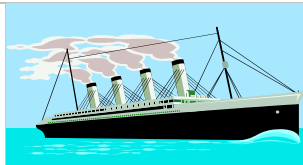

DAISY and the sweet pea are the flowers of the month.

Titanic Remembrance Day

When : Always April 15th

Titanic Remembrance Day is dedicated to the memory of the Titanic, and over 1500 people who died. On this day in 1912, the Titanic sank in the icy waters of the North Atlantic Ocean.

The Titanic was called "unsinkable" and the "safest ship afloat" by her builder and designer. However, on her maiden voyage from England to New York City, the cruise ship Titanic hit an iceberg in the Atlantic Ocean. This occurred on April 14, 1912 at 11:40p.m. Two hours later, with a gaping gash in her side, the ship quickly sank in icy waters. 1522 passengers and crew died.

8 Weather Lore Sayings You May Not Know

by Sandi Duncan |
From: Weather

To celebrate April's crazy weather, here are some spring weather sayings you may not have heard of and one you most definitely have:

1. If it thunders on All Fool's Day, it brings good crops of corn and hay.
2. A cold May and a windy April, a full barn.
3. The louder the frog, the more the rain.
4. If the oak is out before the ash then we are in for a splash, But if the ash is out before the oak we are in for a soak.
5. March'll search ye, April try ye; May'll tell, whether live or die ye.
6. Rain before seven, fine before eleven.
7. Sounds traveling far and wide, A rainy day will betide.
8. A cow with its tail to the west, makes weather the best; A cow with its tail to the east, makes weather the least. And then the one we all know: April Showers Make May flowers.

"April hath the spirit of youth in everything."
-William Shakespeare

Container Gardening Tips for Apartment Dwellers

Container Plants – Ideal Plants for Patio Gardening

While you can grow a lot of plants in containers, a few vegetables like peppers, potatoes, tomatoes, squash, green onions, cucumber, eggplants, radishes, lettuce, leafy vegetables, and herbs like oregano, lavender, fennel, basil, anise, thyme, do well as **container plants**.

A few annual plants that can be container grown are marigold, lobelia, begonia, impatiens, snapdragon, and zinnia.

Container gardening supplies are available at nurseries and garden centers. The containers are usually made of fiber glass, ceramic or metal, and the width or the container mouth decides which plant can be grown.

Those with wider mouth can facilitate evaporation, and those with narrow mouth can retain water. Brown eyed susans and petunias are great container plants that can be excellent patio decors.

Flowers

Would any residents like to help us make our community lovely by joining us planting flowers? Join us and enjoy some free food and drinks. We are ready to see beautiful flowers all around the property.

Know When to Seek Help

Sometimes it's best to leave the work to the pros. Report malfunctioning appliances, water you can't turn off and clogs that don't respond to plunging.

How to Keep Your Garbage Disposal Fresh

First turn on a moderate amount flow of cold water the turn on disposer. Continue running cold water for a few seconds.

Grind peelings from citrus fruits to freshen drain smells.

Use a disposer cleaner, degreaser, or deodorizer as necessary to relieve odors caused by grease build up.

Emergency After-Hours Telephone Number 330-244.7569 please program this number into your phones!!

Tip for new Tenants....

The first purchase you should make for your new home is a plunger...every resident should own one! We receive frequent "emergency" calls for clogged toilets and unfortunately that is not considered an emergency by our office, it's definitely something that residents can handle for themselves!

Garage Doors

We would like to ask people who have garages to please close their garage doors when leaving. Not only does it make appearances look better but it also keeps out unwanted critters that are looking for a warm place to sleep. The same thing is true with the dumpster lids; they need to be closed to keep out animals.

CHANGES

Please notify our office if you have changed your telephone number, job, car etc. It is important that we have a phone number to contact you in case of an emergency. Also if you would like your emergency contact changed please let us know this information as well.
