Maintenance Tips

SPARE KEY

Make yourself a spare key and give it to a relative or hide it somewhere for emergencies or if you lock yourself out of your apartment.

FIREPLACES

It is almost time to start building a fire again in your fireplace. Please always remember to make sure the damper is open before lighting a fire and then close the screen. If you bring wood into your apartment do not store too close to the fireplace.

CHECK YOUR HEAT

Don't forget to check your heat if you haven't already done so. If there is a problem please call the office for repair.

LOUD MUSIC & NOISE

As it gets colder outside we tend to spend more time inside our apartments. Please remember the base on your stereo and TV travels! Let's try to be a little more considerate of our neighbors and keep the noise down...

6 Spooktacular Things To Do For Halloween

Go trick or treating. -Rally all your kids and go trick or treating. Make sure you take along your own candy bag. Why let your kids have all the fun?

Go to a Halloween party. -Adults are allowed to have fun on Halloween too. Don a sexy outfit and go party the night away.

Go to a haunted house tour. -Almost every major city prepares a house for a haunted tour. So get your kids together, take them to the tour, and give them the scary adventure of a lifetime. If you are single, just recruit some colleagues or friends. Everybody needs a fun scare once in a while.

Play some board games. -Play a mysterious board game like Clue. This is a terrific way to bring the whole family together for a night of Halloween fun.

Check out an old cemetery. -What could be spookier than an old, gloomy cemetery? Make sure you have the stomach for it because you never know what you might see!

Check out a real haunted house. -If you are really courageous, take your friends to a real haunted house! Almost every city has one. You can quickly find local haunted mansions, railroads, and 'paranormal' spots by doing an online search.

FRIENDLY REMINDER

Please don't forget to close the building doors when you come in or leave. One reason residents move to Shakertown is because of the secured entrances.
