Remember, honor and support our nation's heroes on

National Poppy Day—May 22, 2020.

The American Legion Auxiliary adopted the red poppy as its official remembrance flower in the early 1920s, following World War I. The American Legion Family will distribute poppies in remembrance of our U.S veterans, military, and their families

SEVEN SIMPLE WAYS TO PRACTICE KINDNESS

1. Find something nice to say to everyone you speak to.
2. Compliment strangers.
3. Say thank you to those who help you.
4. Give back.
5. Forgive.
6. Let another go first.
7. Bake cookies for your local police, firemen, or sanitation workers.

Words are never enough to thank you for all that you do...

Happy Mother's Day!

COVID-19 UPDATE

Ohio's Safe Business Practices for Getting Back to Work

1. Requires face coverings for employees and clients/customers at all times.
2. Conduct daily health assessments by employers and employees (self-evaluation) to determine if "fit for duty."
3. Maintain good hygiene at all times – hand washing and social distancing.
4. Clean and sanitize workplaces throughout workday and at the close of business or between shifts.
5. Limit capacity to meet social distancing guidelines.
 - Establish maximum capacity at 50% of fire code.
 - And, use appointment setting where possible to limit congestion.
