## **IMPORTANT REMINDER**

**We offer an online way to pay your rent so that you are never late! Stop by or call the office to learn more about Zego (paylease). Because the post office is running behind, many of you are occurring late fees. No-one likes late fees. Please remember it is your responsibility to make sure your rent is on time. Don't forget we also have a drop box so you can drop your payment off any time of the day or night!**

### **Tips for New Residents.....**

The first purchase you should make for your new home is a plunger ..... every resident should own one! We receive frequent "emergency" calls for clogged toilets and unfortunately that is not considered an emergency by our office, it's easily something residents can handle for themselves.
